If insurance was used to pay for healthcare, what should happen to people who don't have insurance and can't afford to get it?

Total sample size: 6,219

Nationally representative sample size: 2,087

GB Sample Spec	Percentage	Quota	Completes	% Complete	Charities should pay	Don't know	Healthcare should be denied	Hospitals should treat them for free, and charge other patients more to make up	Prefer not to say	The government should pay, from taxation, so that everyone is insured
